DOG DAY CAMP

- Dog Day Camp Hours : 7am-5pm
- All dogs must first go through a trial day to make sure we are a good fit for your dog.
- All New Client Paperwork, Waiver, proof of rabies & vaccinations must be filled out and signed; due on or before trial day at camp.
- All dogs must be people and dog friendly.
- We accept small breeds as well as large breeds. Senior dogs as well as puppies.
- Dogs are separated when playing based on their size and age for safety reasons.
- We stay right in the acre of fenced in play yard while playing and learning.
- We have room inside to rest and get out of the weather when needed.
- We monitor all play and keep play time sensitive to each dog's play style.
- We do not allow dogs to get too ramped up and play roughly. This is not considered proper dog etiquette for dog camp.
- We want the dogs to learn that they gain access to their resources through calm relaxed transitions, for example, going outside requires all dogs to sit or wait calmly before we open the door.
- We set boundaries for all dogs in order to gain their trust and respect.
- We want each and every dog to feel safe and be successful here at camp. This is why we are specific to helping the dogs learn our rules from day one.
- We teach dogs through positive reinforcement using lots of food as reward.

- Our focus is to guide dogs to move from prey drive to a social drive with ease, in a pack setting such as dog camp. (when your dog is playing or hunting, they can break and come back to the pack leader when called) By building on this concept at dog camp, it will help your dog to become more attentive, less reactive or lower their arousal state.
- We strive to create a balanced atmosphere for your dog to thrive in.
- Dog Day Camp is \$30/dog per day
- Drop off/Pick ups will take place outside for safety reasons. We will do a hand off on the front porch. Thank you for your understanding.

Hours are 7am -5pm

***Your dog must be picked up by closing time or you will incur \$5 late fee for every 15 minutes late.**
